ST MARY THE VIRGIN, RIVERHEAD WITH DUNTON GREEN

CHILDREN'S SOCIETY REPORT- APCM 2021

BOX HOLDERS

Well what can I say other than THANK YOU to my loyal Box Holders who despite the lack of small change managed to give us £256 from their Home Collection boxes.

CHRISTINGLE

We were able to hold our Christingle Service via Zoom on Christmas Eve, we circulated instructions of items needed and the Children made the Christingles at home. We collected £200. I would like to thank both Daphne & Stuart without whom this would not have been possible, Daphne for the taking the Service and Stuart the Donation portal on the website.

CHRISTMAS CARDS

Thank you to everyone who were able to order Christmas Cards from me, we sold a total of £284.25

BOOK DONATION

Christine Smith very kindly donated £205 from the sale of her efforts to collate and print a Book that contained local stories, poems and artwork about Lockdown experiences.
THANK YOU

The Children's Society is extremely grateful to St Mary's with St John for their continued support, as always money is always needed as problems, despite lockdown, are always around and the young people need our help and support
