

following the model
of Jesus, bringing
hope & healing
to the world's poor

Mercy Ships partners with nations to transform the lives of individuals and leave a legacy of improved healthcare, using the largest non-government hospital ship in the world – the Africa Mercy.

**Everything is free of
charge and provided by
volunteers.**

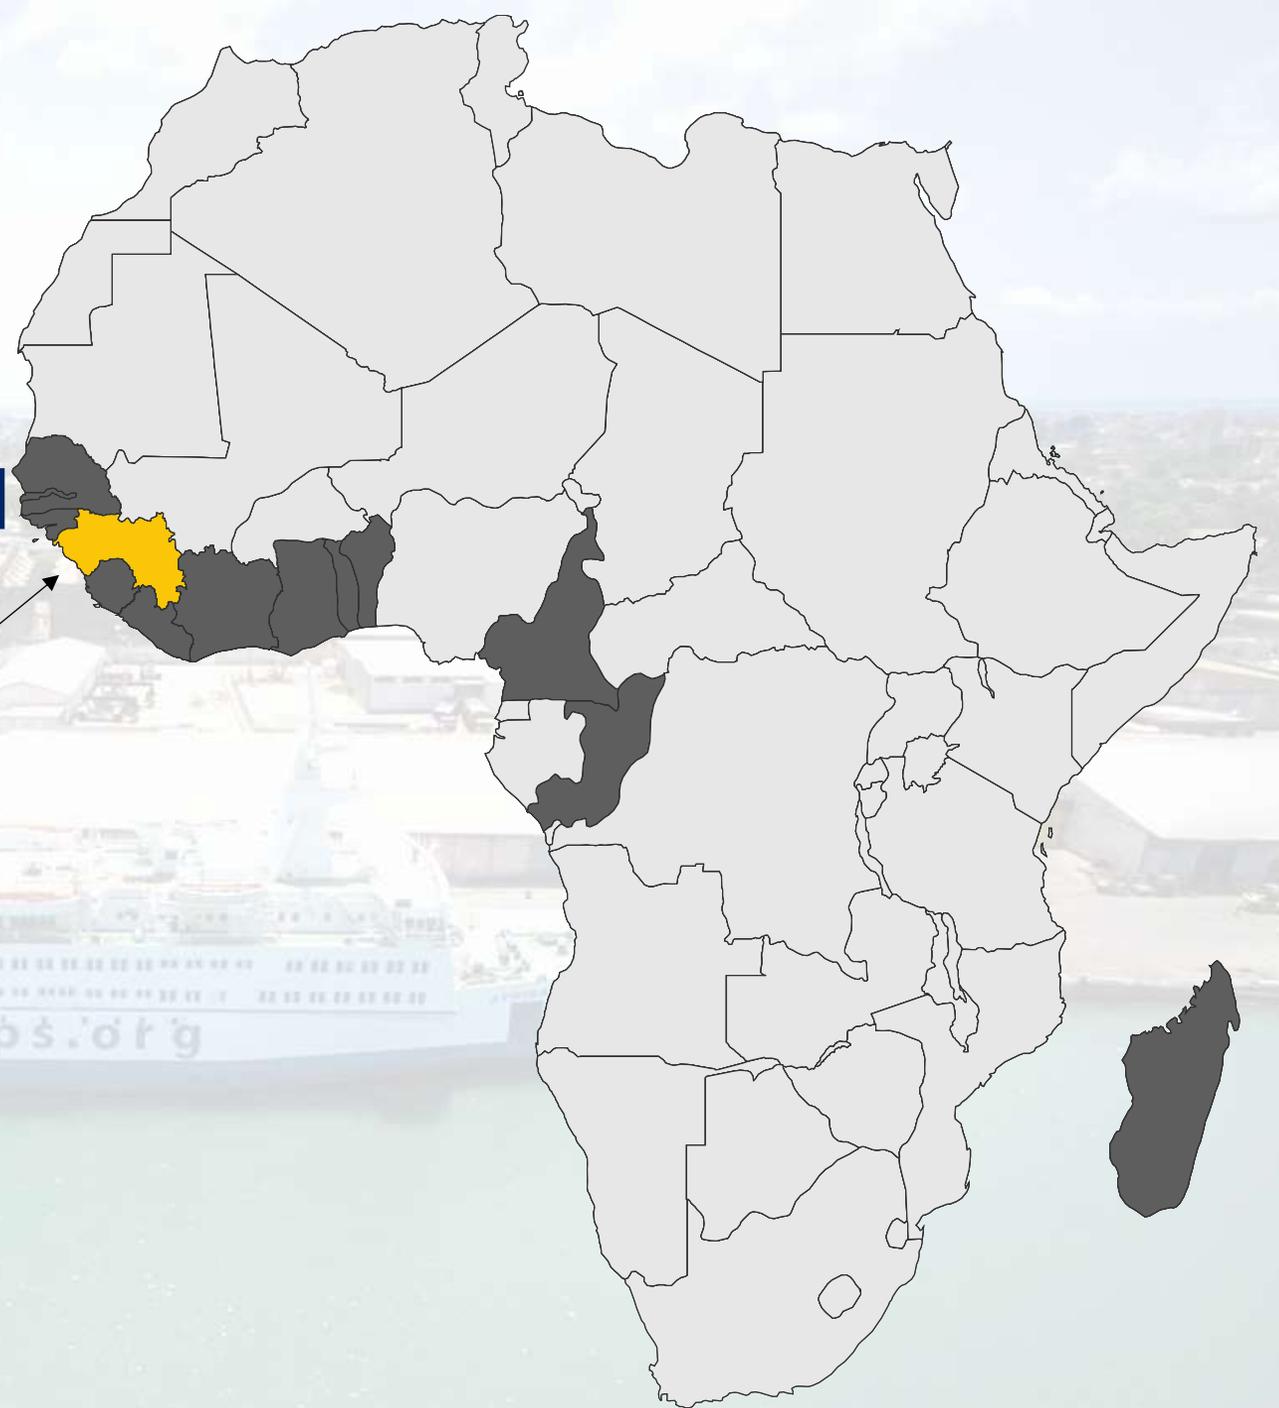

M/V Africa Mercy, 2017

Founders
Don & Deyon Stephens

Mercy Ships reaches people who live with little or no healthcare in some of the poorest parts of the world and is currently in Guinea.

Guinea

2018

**On the ship,
there are**

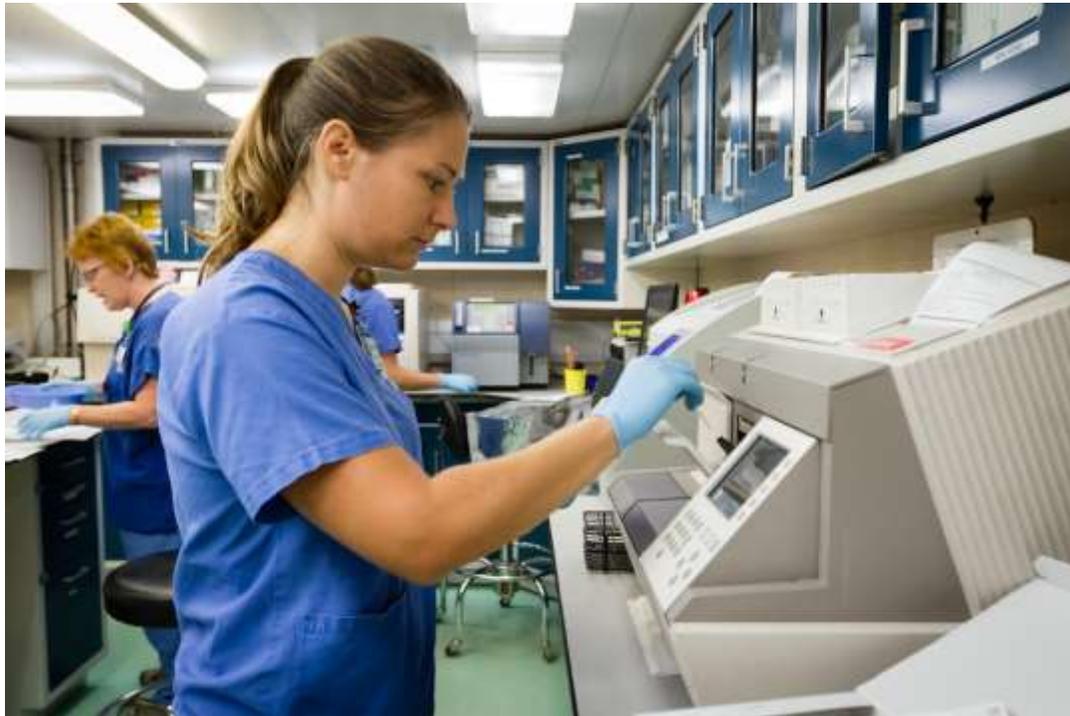

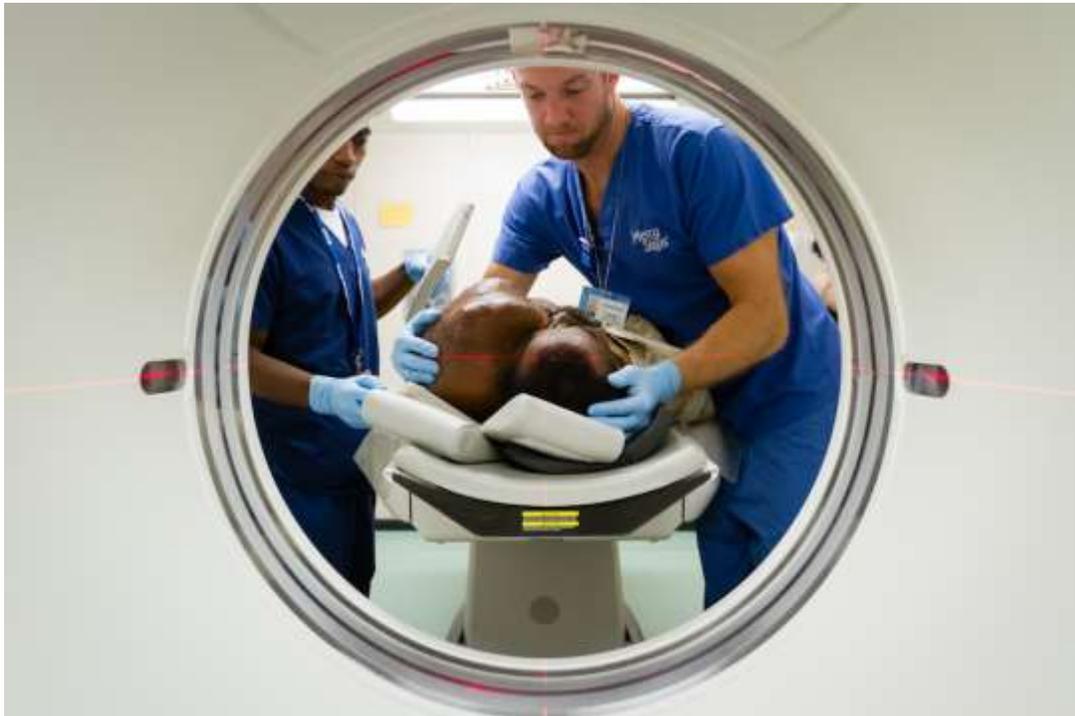

5 Operating Theatres

82 Ward Beds

Radiology

Laboratory

Pharmacy

**They
provide
many
types of
surgery**

...

maxillofacial

plastic reconstructive »

orthopaedic »

obstetric fistula »

general »

ophthalmic »

dental »

palliative care »

In Cameroon in 2017/18, the crew provided

2,746 surgeries

20,886 dental procedures

free of charge

Since 1978, Mercy Ships have provided

84,000 surgeries

377,000 dental procedures

All free of charge

5 billion people
around the world
today
do not have access to
safe & affordable surgery
when they need it

Conditions requiring surgical treatment
kill more people in low-income countries
than HIV/Aids, TB and malaria combined

Medical Capacity Building

“...is helping our host country build their capacity to deliver healthcare”

Dr. Michelle White, UK Volunteer

before

The crew make a lasting impact

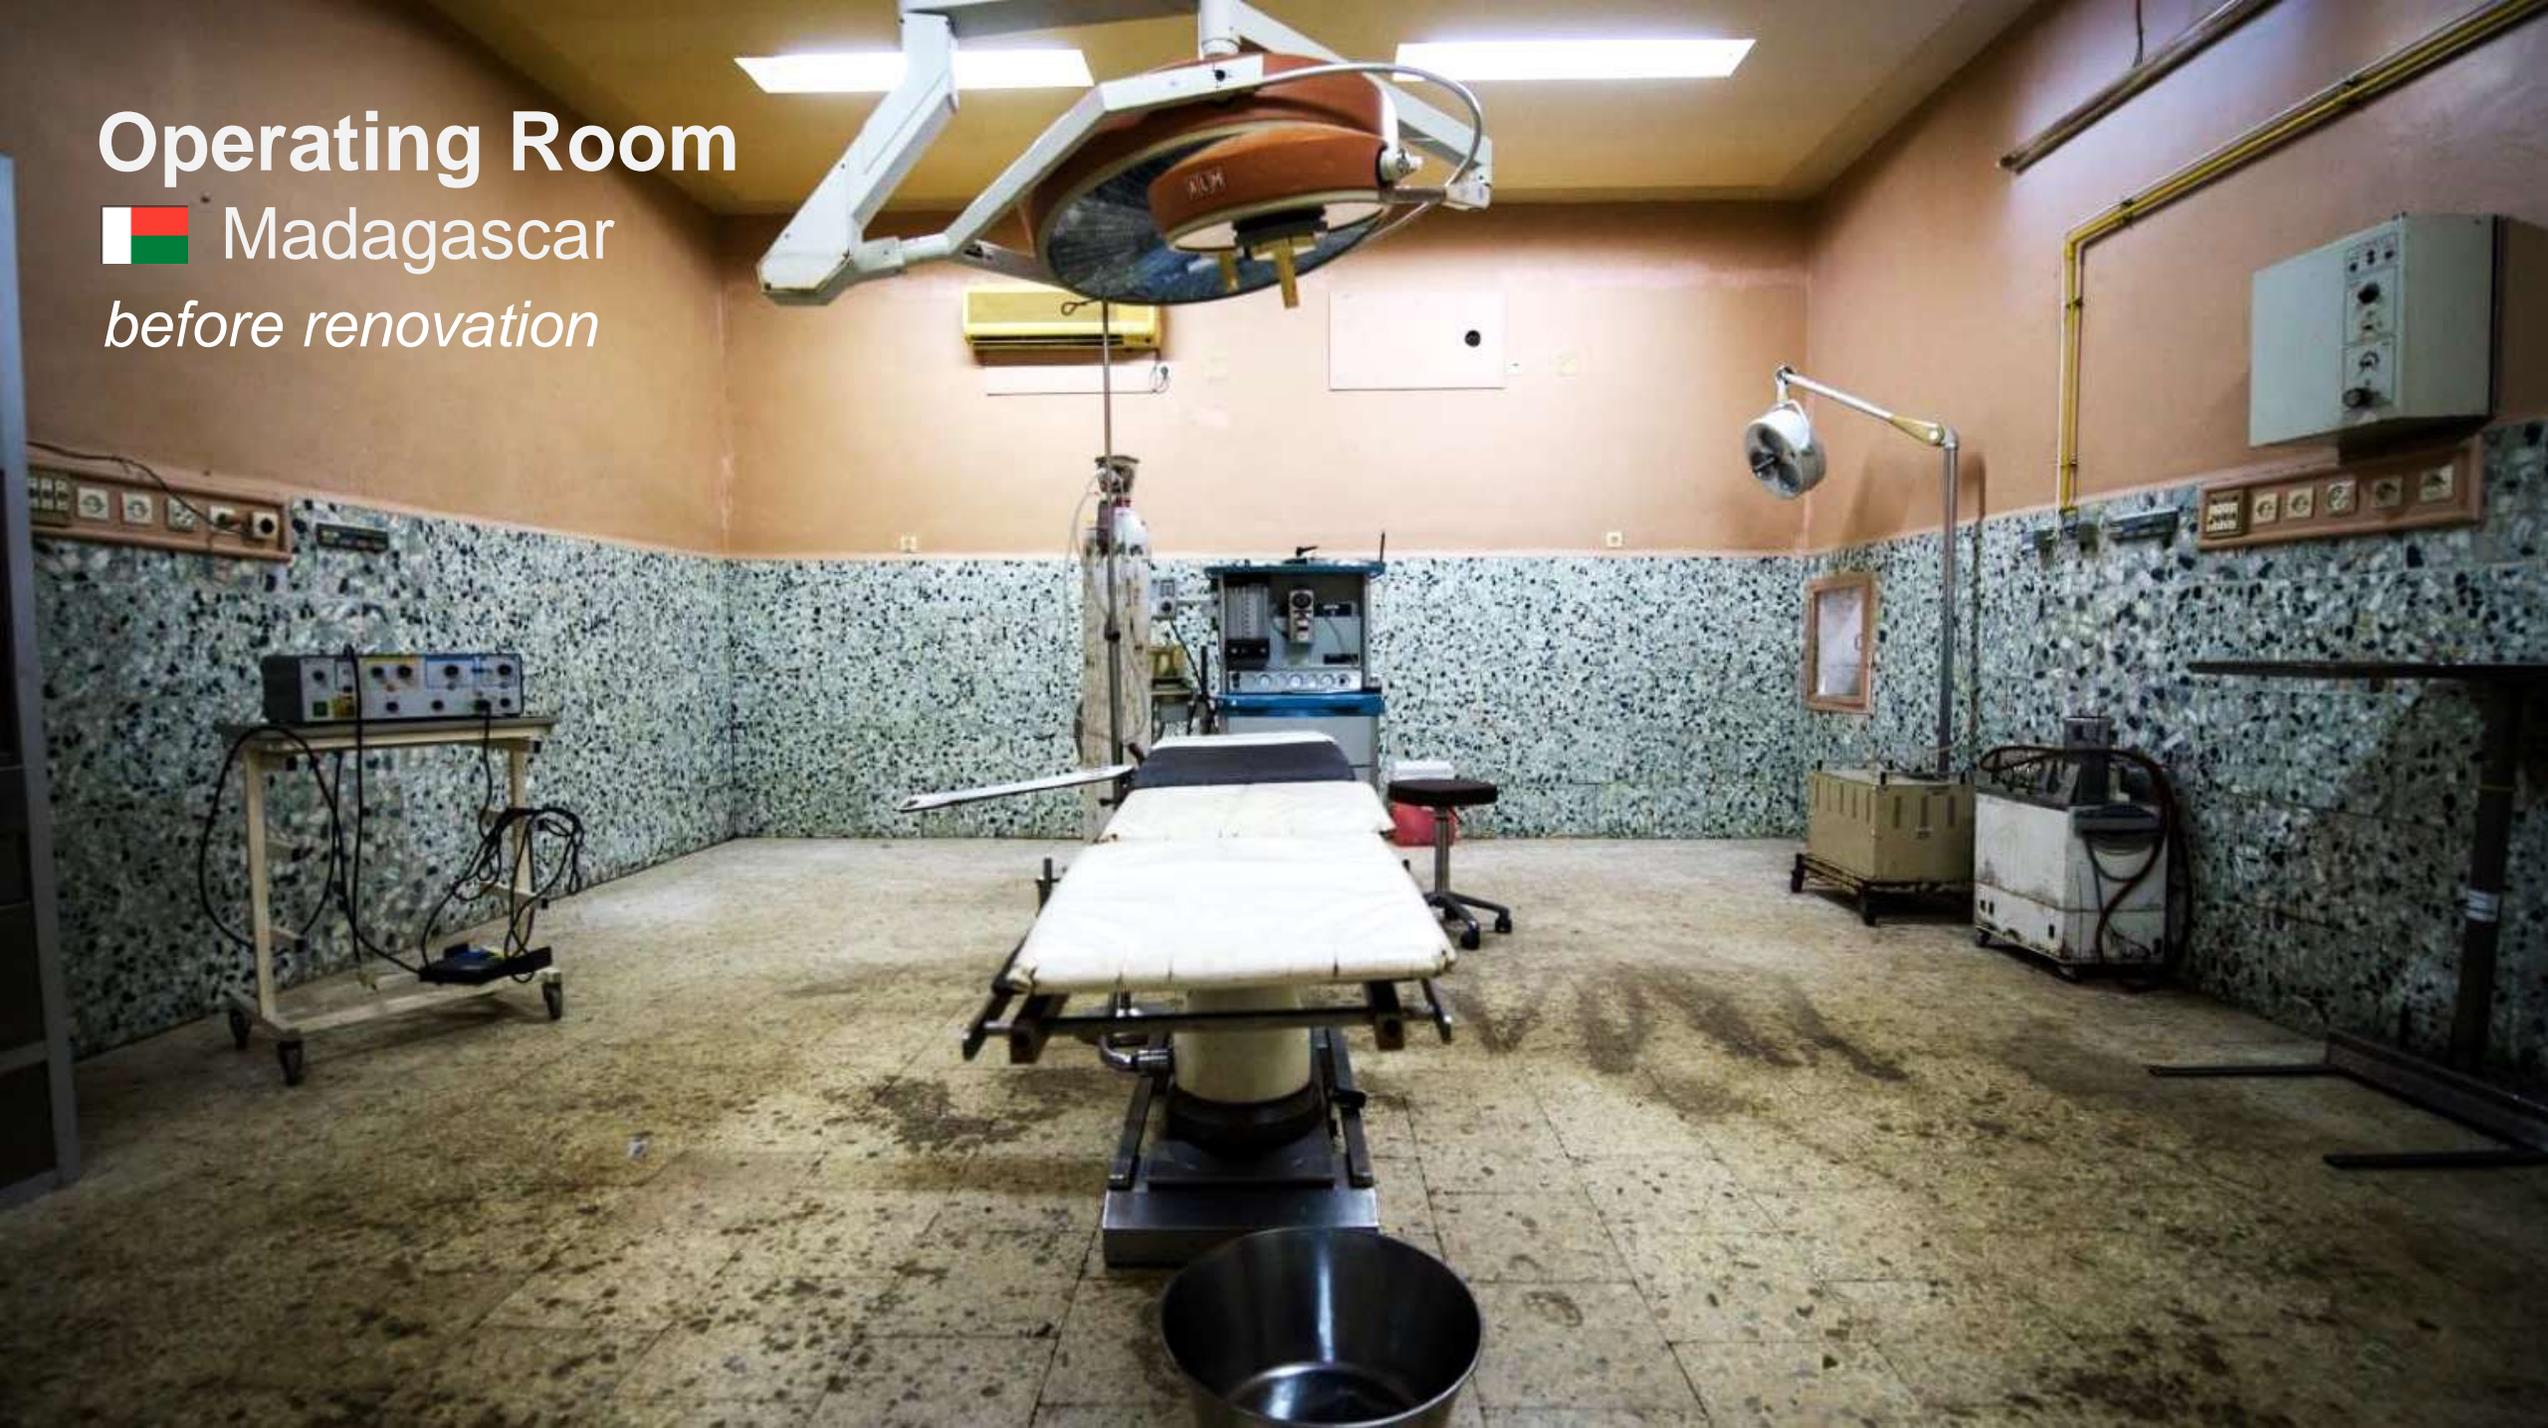

- training and mentoring local professionals
- providing medical tools and resources
- building better medical facilities

after
