

Christmas Cards 2021

**The
Children's
Society**

Your **kindness** will give young people **hope**

When we send a Christmas card to friends, colleagues and loved ones, we're doing more than just posting them a pretty design and a warm message.

We're letting them know that they're in our thoughts, that we wish them well, that we care about them.

And when you buy these beautiful Christmas cards, you're sending that same message to the young people in our country who are going through hard times.

Every card that you purchase from our collection provides vital funds that help The Children's Society's work supporting children in this country facing abuse, neglect and exploitation.

At a time when we need to reach out and support our loved ones and communities more than ever, I want to thank you for helping so many children have hope for the future.

Best wishes, and I hope you have a wonderful Christmas!

Yes, I'm a UK taxpayer, and would like The Children's Society to treat all donations I have made over the past four years, today, and any I make in the future, as Gift Aid donations, until I notify you otherwise. *giftaid it*

I understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay any difference.

The Children's Society

Working alongside young people and incredible supporters like you, we will not rest until together we've created a society that works for all children.

We listen to young people so that we can understand their needs and provide services that keep them safe and support them through their challenges. We also campaign tirelessly for the big social changes that improve the lives and well-being of the children who need hope the most.

For 140 years, The Children's Society has been fighting for the hope and happiness of this country's young people when they are threatened by abuse, exploitation and neglect.
